

SAVE
THE
STORKS

Mission and Vision

To create a story of hope and empowerment for every woman facing an unplanned pregnancy.

We want women to know that they are not alone; we're here for them.

When we empower women with compassion, education, and holistic care, we not only empower them to choose a better life for themselves and their children, but we also create a culture that respects and values every life.

Services and Programs

Stork Bus

Our state-of-the-art mobile medical units provide pregnancy tests, ultrasounds, and STI testing, all at no cost to women. Stork Buses bridge the gap between pregnancy centers and women so they can access quality healthcare across the country. Owned and operated by local pregnancy centers, they deliver holistic care to their communities and are strategically located near abortion clinics - offering real options and comprehensive support.

Partner Program

Our Partner Program exists to ensure that pregnancy centers have the stability, support, and strategy they need to expand their services to save babies by empowering more women to choose life. We offer customized support in branding, marketing and outreach, operational quality, and leadership development - all at no cost to ministry partners. When we advance the center's mission through effective strategy and excellence, we bring the power of the local pregnancy center to those who need it most.

Church Partnership Program

More than 1 in 3 women who have an abortion attend church regularly. Our Church Partnership Program exists to equip churches with pro-life resources such as devotionals, books, fact sheets, videos, and events such as film screenings, worship nights, or by having a Save the Storks representative speak at a Sunday service. We know that it is crucial for Christian communities to be a safe and loving space for all women. Whether they are healing from a past abortion or facing an unexpected pregnancy, they need love, support, and encouragement.

Ways To Get Involved

Donate

Because 4 out of 5 women who board a Stork Bus choose life - you can be certain your donation is effective. Your gift will help fund more Stork Buses and keep their services FREE of charge to the women who most need them across the U.S. Donate at savethestorks.org/donate

Volunteer

You can volunteer with your church, local pregnancy resource center, at an event, or with our organization based on your field of knowledge and/or interest, i.e., Fundraising, marketing, medical expertise, etc. Find out more and sign up to volunteer at savethestorks.org/volunteer

Friendraiser

A *Friendraiser* is a **FUN-draising** opportunity for you and/or your family and friends to raise money and donate the proceeds to Save the Storks to help empower women and save lives! savethestorks.org/fundraiser
