102 Active PARTNERS AND AFFILIATES

We started with 36 Pregnancy Resource Center partners this year and have since added 12 new partners, which brings us to 48 partners—with our affiliates included—we have 102 in total!

“Two of our core values come to mind when we think of the partner program with Save the Storks. Those two core values are integrity and refinement. We are constantly asking how we can continually grow and be above reproach in all we do and who's going to help us refine those tools on a biblical worldview level. Save the Storks partner program is helping us serve our community with excellence as we grow as a ministry.”

Valerie Millsapps, Pregnancy Resource Center, Maryville, TN

Pastor Marcus Mecum, 7Hills Church, Florence, KY

14 Church PARTNERS

“In a world that's so easy to be known for what you're against, Save the Storks has given us a better way. We can be known for what we're for, not what we're against! We can proclaim the solution and offer real support to abortion-vulnerable women who need to know that they're not alone.”
